Motivation for Higher Studies for Pharmacy Graduates'

*"Learning gives creativity,
Creativity leads to
Thinking,
Thinking provides
Insight,
Insight provides
Knowledge,
Knowledge makes you
great."*

Pradyot Kumar Roy
(B.Pharm 2011-2015)

Welcome

MR. PRADYOT KUMAR ROY
(Graduation Year-2011-2015)
TO
BST PHARMA ALUMNI LECTURE
SERIES 2021

Pharmacy Education in India
The beginning of pharmaceutical education in India was initiated at the Durrani Medical University (DMU) in 1932.

Prof. M. J. Akhuff

- M.Pharm.
- M.Pharm.
- M.Sc. (Pharm.)
- M.Sc. (Pharm.)
- M.Pharm. (NBA)
- PhD in Pharmaceutical Management
- Doctorate in Pharmacy
- Ph.D.

- M.Pharm. (Public Health)
- Post Graduate Diploma in Pharmacy practice and Drug store Management
- Diploma in Clinical Research
- Diploma in Dispensing Management
- Post Graduate Diploma in Clinical Trial Management

Teacher Attitude:

- It's a Lifestyle.
- ~~POWER~~ → 0
- Authority → ∞
- Take the back seat when every thing is fine.
- If you win, congrats! If you lose, I am with you.
- There is just one difference in a first teacher and the best teacher is...one sits on the first bench and the other one stays lie.
- Make sure that you sweat profusely to bleed in your real life.

Paradigm Shift in Teaching Learning:

More of a guide, supporter, helper, partner, colleague of learner.
Nothing centralised anymore.
Customized learning.

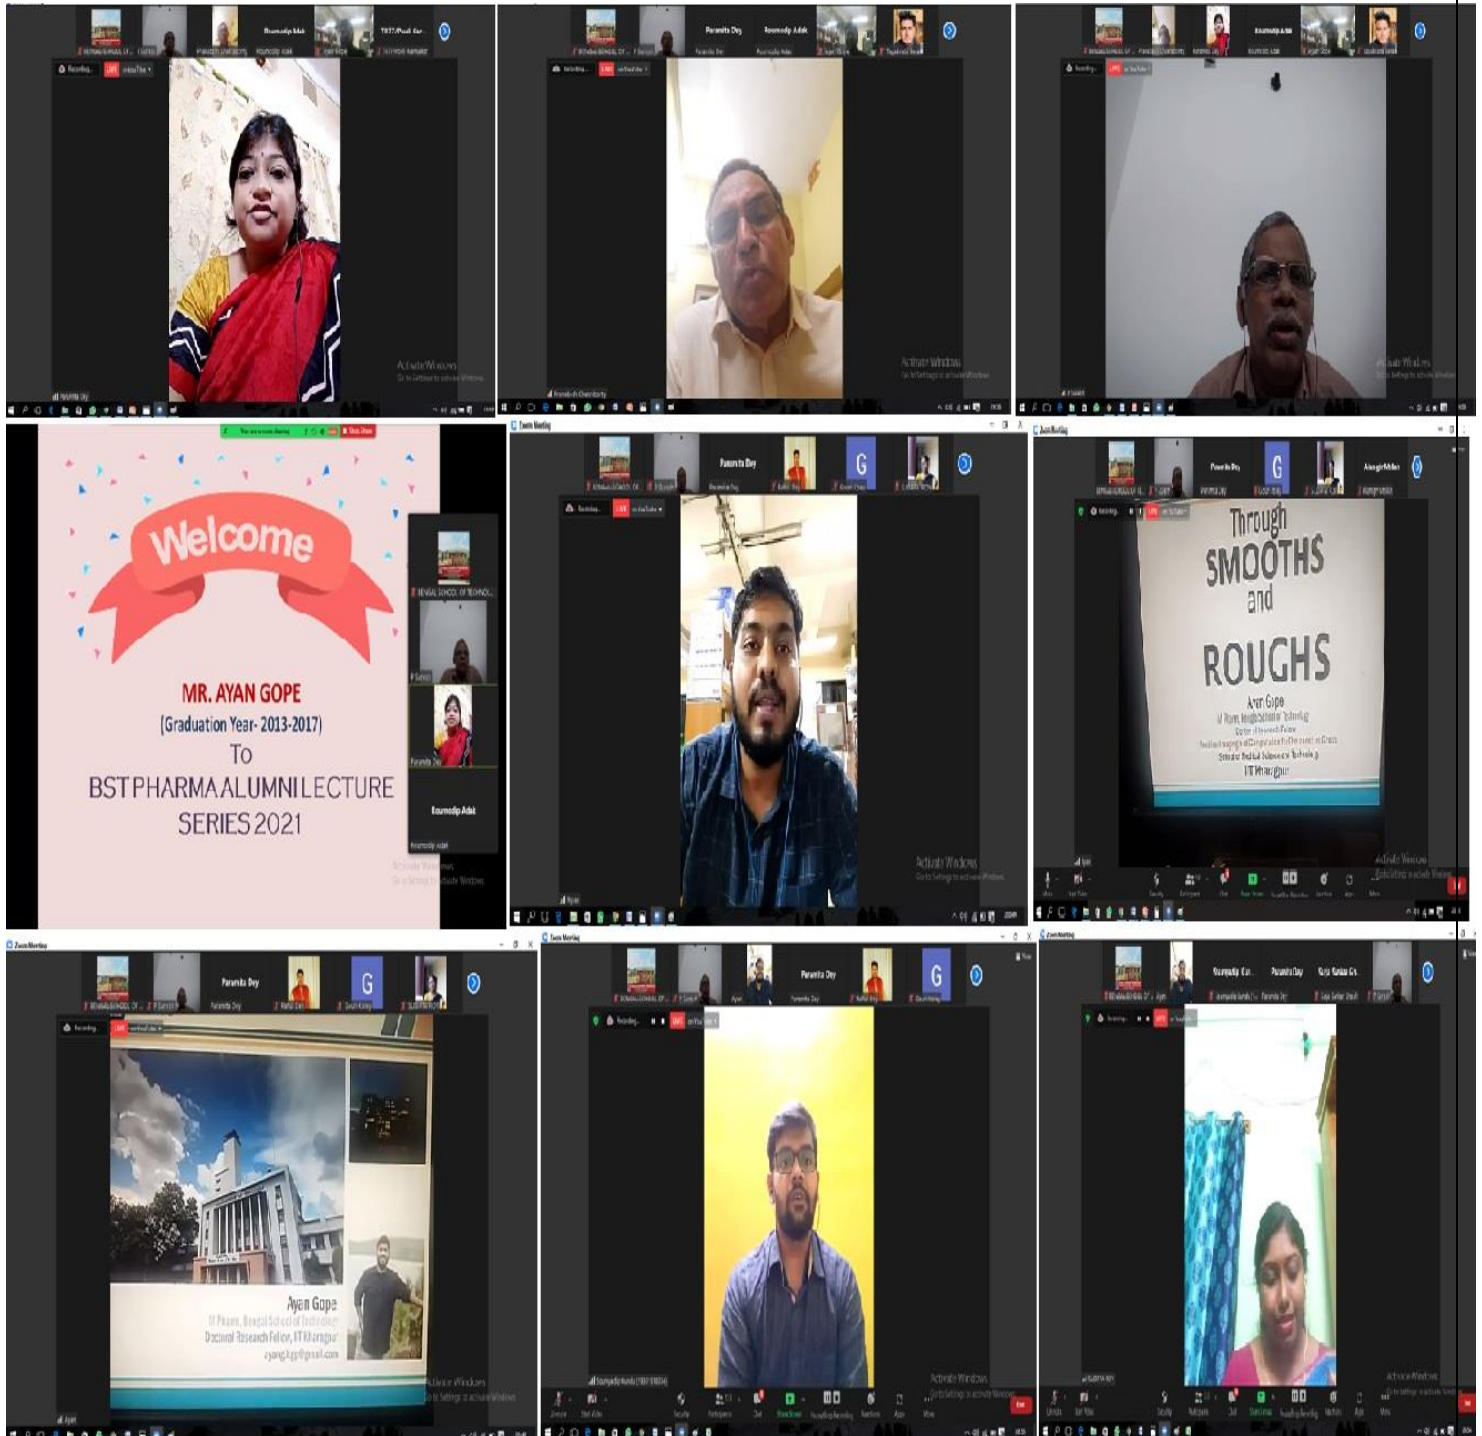

THANK YOU

Dipesh Chakraborty, Assistant Professor (Stage-I),
Department of Pharmaceutical Science & Technology (In-House),
Maulana Abul Kalam Azad University of Technology (Formerly WBUT), West Bengal
