

## **STUDENT CENTRIC METHODS**

The institute with its state of the art infrastructural facilities focuses attention on student centric methods of teaching learning process. Modern laboratories, language lab and smart classrooms provides need based academic ambience for innovative teaching. During the COVID- 19 pandemic the teaching learning process has undergone a paradigm shift from physical mode of teaching to the virtual mode of on-line teaching through Google Classroom, Zoom platform and through Great Learning platform. The salient features of the on-line systems of Great Learning add value to the concept of experiential learning, participative learning, problem solving techniques and allied aspects. Further the on-line e- resources like Chem Sketch, SPSS, TEST, RASMOL, AUTODOCK, ORIGIN2017, TURBO C3 4.0, ORACLE XE and GRAPH PAD PRISM 5.0, Ex-Pharm 2.0 are used as an effective teaching technique.
