Dear Dr Goswami,

I am writing to you regarding the Joint Science Academies Summer Research Fellowship Program for 2024. You had kindly offered to help in this activity by accepting selected candidates to work with you in the coming summer. I am happy to inform you that we have been advised by the Steering Committee made up of the three Academies Presidents to fix the maximum number of fellowships this year to around 1200 candidates.

Selection Committees for the different disciplines met for 2/3 days in January 2024 and have selected students and teachers based on their academic performance, and expression of research motivation and interests. Although the Committees have tried their best to assign candidates to guides based on the preference expressed by the guides, it has not been possible to do so in all the cases.

We are therefore requesting all guides to accept the candidates suggested by the Committees and provide the students/teachers the necessary facilities. I sincerely hope you will accept this request.

Among those selected are the following students (please click the link to get more information on the applicant):

1 Mahajan, Ms Jahanavi (II BSc) Guru Nanak Dev University, Amritsar

<https://webjapps.ias.ac.in/fellowship2024/candeforguide.jsp?appid=LFS3136&rbdnhji=2b7cbb9p69>

I hope you will kindly accept these candidates to work with you for a period of two months. We feel confident that the experience of being able to work in the research atmosphere of your group will be extremely beneficial to every selected students/teachers.

As soon as we receive your acceptance, we shall write a formal letter to these candidates announcing their selection and request these candidates to get in touch with you to fix up the period of work at a time suitable to both of you. We shall be paying these candidates a sum of Rs. 12,500/- per month for living expenses and will reimburse the round trip travel expenses as per rules.
